

Analysis Flow Diagram

You cannot find a quotation which relates to your point – change your point

You don't know what your quotation means, select another quotation

If planning, select a quotation with a word or phrase you can zoom in on

Skip to the effect on the reader but ensure your next analysis section allows you to zoom in on a word or phrase

If you cannot zoom in on a word or phrase do one of the following things

If you cannot think of an exploration, move on to the next step

If you cannot think of an effect, move on to this in your next analysis section

If you cannot think of an alternative analysis, move on to the next step

Well done! Move on to the next step

Well done! Move on to the next step

Well done! Move on to the next step

Well done! Move on to the next step
